Experienced players will have an opportunity to play for us in order to determine placement. Students wishing to join Jazz Band will need to meet with Jacki for an audition and should be enrolled in Wind Ensemble or Chamber Orchestra. Contact Jacki for group placement. Note: Students who wish to play percussion must have 2 years of piano experience & meet with Jacki prior to enrollment.

Choosing an Instrument: For beginning students or someone who might want to start a different instrument we are offering a fun, week long, hands on Exploring Instruments Camp that will help you pick which instrument is the best fit for you! Look for dates in June and August; enroll online at www.REWMusic.net

Materials Needed: Each student will be responsible for providing their own Instrument, Method Book, Folding Music Stand, and any other necessary accessories. REW Music will provide any additional sheet music needed for class. (Rental instruments are available; see a store team member for details.)

REW Homeschool Approved Instrument Policy

REW Music is proud to offer an exceptional homeschool band and orchestra group experience. Over the 11 years we have been offering the program, we have found that we have more and more instruments that are presenting challenges to the students' musical experience. Some of the instruments, despite the student's best efforts, are not of the quality to allow the musician to excel. We spend a lot of time trying to make sub-quality instruments play in tune, or work at all.

We have found misinformation in the marketing of school instruments, and inconsistencies in their production. Instead of creating a list of acceptable brands, we will provide a free evaluation of all instruments for quality and repair status. All instruments will need to be evaluated by the REW Music Repair Shop prior to the enrollment deadline.

We are not trying to sell additional instruments or repair services. We want to make sure that the instruments in the program allow all of the musicians to be the best they can be and not be hindered by the issues that can be caused by sub-quality instruments, such as excessive repair time and difficult intonation. We have had instruments in the program that have hampered the progress of not only the individual student, but the entire group. We want to ensure that all of our students are provided a quality program.

If you are considering a new (or new to you) instrument purchase, please consult with REW Music before you buy. We will be happy to evaluate any instrument and let you know if it will meet our standards for the homeschool program.

Concert Sheet Music Return Policy

All concert sheet music must be returned in good condition, free of pencil markings, tears, and excessive wrinkles. You will have 1 week following the end of semester concert to return the sheet music, or you will incur a \$2.00(+ tax) per page, non-refundable late fee.

If you do not return your music at all, or if it is damaged beyond repair (at the discretion of REW Music), you will be invoiced a replacement fee at the current market price.
