Will I be in the same group?

For those that were previously enrolled, you will remain in your current group unless otherwise specified by Jacki. If you are new to the REW Music Home School groups you will need to contact Jacki to set up an audition to determine which group is best suited for you.

We did not participate in the fall semester. Can we join now?

If you are interested in joining us for the first time this semester you need to already have experience playing your instrument or contact Jacki to make special arrangements. Note: to be eligible to play percussion students need 2 years of piano.

What materials will I need?

Each student will be responsible for providing their own Instrument, Method Book, Folding Music Stand, and any other necessary Accessories. REW Music will provide any additional sheet music needed for class. (Rental instruments are available; see a store team member for details.)
